

## Technology Support Committee Annual Report 2021

October 25, 2021

The committee has been busy keeping the technology behind NAHSL running smoothly. Our biggest accomplishment was working with Dana Haugh from the Marketing Committee and Valori Banfi from the Membership Committee to redesign the [NAHSL Wild Apricot public facing membership portal](#).

The screenshot shows the NAHSL 2021 Membership & Event Portal. The header is dark blue with the text "Membership & Event Portal" on the left and a "Log in" button on the right. Below the header is a white banner with the NAHSL logo and the text "North Atlantic Health Sciences Libraries, Inc. A regional chapter of the Medical Library Association". A navigation menu includes links for Home, Membership, Annual Conference, Continuing Education, Exhibitors & Sponsors, Calendar, and Contact. The main content area features a large graphic with the text "NAHSL 2021 Starting from *Scratch* Taking Charge of Change". Below the graphic, there is a message: "You're invited to the virtual NAHSL 2021 conference October 25-26, 2021. Registration open now! More information and full schedule available on the conference website: <https://www.nahsl2021.com/>."

Tess will be finishing her term as Technology Support Committee Chair and Dana Haugh will be stepping into the position after the 2021 annual meeting.

Respectfully submitted,
